Hazardous Weather

Cold nights ahead. Freezing temperatures over nearly all of Southeast Texas tonight except the immediate coast. Warmer but only by a few degrees Saturday morning. Protect the tender plants.

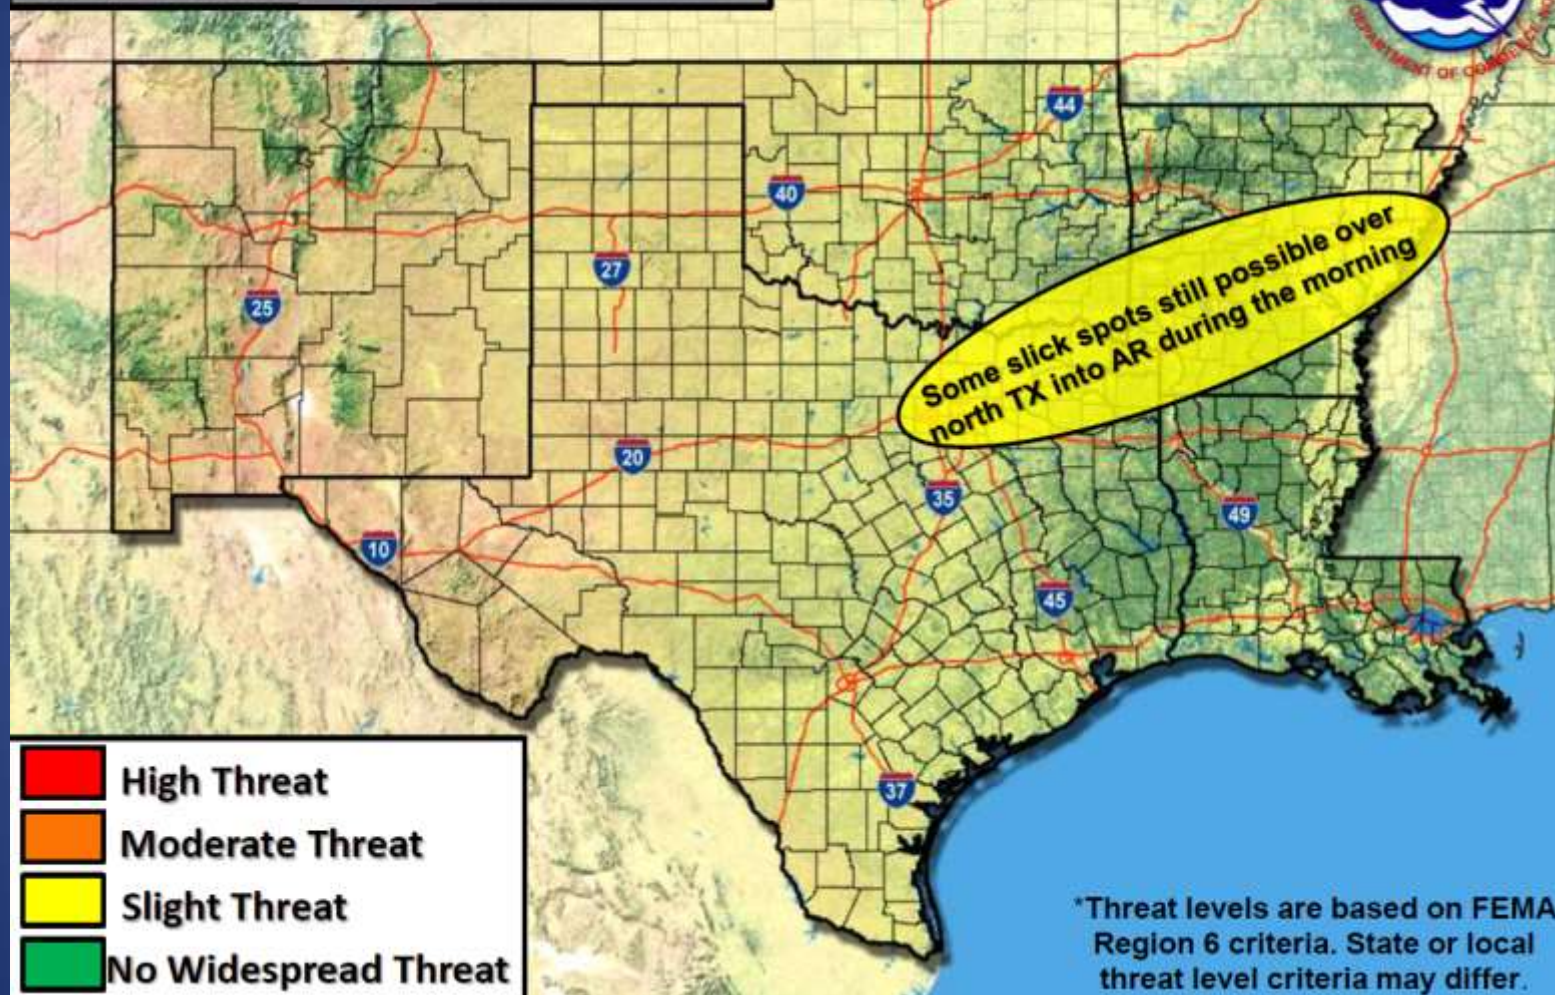

Clear skies will insure another cold night tonight, with temperatures bottoming out at least 10 degrees colder than normal for early March. However, winds will not be as strong as last night, making the cold temperatures easier to tolerate.

Hazardous Weather

Day 1 Weather Hazards

Valid: 0800 Fri - 0800 Sat

Hazardous Weather

Day 2-3 Weather Hazards

Valid: 0800 Sat - 0800 Mon
